The Department of Veterans Affairs and Paralyzed Veterans of America are co-presenting the 34th National Veterans Wheelchair Games. Over 600 athletes from around the United States and Great Britain will be participating.

The first National Veterans Wheelchair Games were held in 1981 at the VA Medical Center in Richmond, VA. That year, 74 veterans from 14 states competed in sports ranging from table tennis and billiards, to swimming and weightlifting. Those first games established an enduring trait that has characterized the event ever since. The now 600+ veterans who choose to compete demonstrate the continued popularity.

Competitive events at the National Veterans Wheelchair Games include air guns, archery, basketball, bowling, field events, handcycling, a motorized wheelchair rally, nine-ball, power soccer, quad rugby, slalom, softball, swimming, table tennis, track, trapshooting and weightlifting. Athletes compete in all events against others with similar athletic ability, competitive experience or age.

This information has been gathered/condensed from the VA and PVA websites and Volunteer mtg on 3/23.

SPONSORSHIP OPPORTUNITIES:

See page 9 and 10 for Sponsorship Levels and Sponsor Commitment Form.

VOLUNTEER OPPORTUNITIES:

This event will require more than 2,500 volunteers. There are many opportunities ranging from sporting events, greeters and assistance at the airport and dozens of other critical jobs to make the event run smoothly. The minimum volunteer age is 14 years old. However, individuals younger than 14 can join the “fans in the stands” and cheer on our athletes to victory.

On the volunteer application, you can choose which games/events you wish to help with, different time slots, different duty choices and special skills. The following is an example of some of the choices you are given on the Volunteer application.
